

**Garrihy's Aranview Service
Station&Store**

Environmental Policy Statement

Garrihys Aran View Filling Station is situated between the Cliffs of Moher and the Burren. The site is only 2 miles from Doolin Pier, where you can take a ferry to the Aran Islands or the beautiful Cliffs of Moher. We provide a local convenience store and filling station service, and welcome many tourists throughout the year, providing essentials, directions and tourist information

Working Together

We collaborate with all stakeholders to collectively develop the Geopark as a sustainable tourism destination. I have been a member of Doolin Tourism for many years with Doolin to Arana Ferries and now with Aran View Filling Station

A cared-for landscape

We actively participate in conserving our natural and cultural heritage.

A well-understood heritage

We offer quality information and interpretation to communicate our stories and the unique character of our place to guests. *There is an extensive tourist information area in our shop and all our staff are well briefed on the natural and geological attractions in the area, using the Geopark Map and Leave no Trace Brochures.*

Vibrant Communities

We work to ensure that tourism makes a positive social contribution so that it benefits our community as well as our guests.

Strengthened Livelihoods

We contribute to the local economy by maintaining and supporting local employment, by sourcing services and produce locally wherever possible, and by engaging with other businesses in promoting our region as a sustainable tourism destination.

Sustainable tourism management

We work to an Environmental Action Plan, which includes actions and targets for improvement that are reviewed annually. We have effective systems for monitoring and adequately managing our waste, water, wastewater, energy, travel impact and purchases
